MAXXIS

FRONT REAR

Developed and tested at the Grand National Cross-Country Series, the Maxxis Maxxcross SI's race-proven tyre compound delivers excellent traction in soft/intermediate conditions. Its anti-flex knob bridges on side lugs offer solid straight-line stability. It also features enhanced grip to allow for aggressive cornering. The SI is proof that Maxxis takes performance and durability to a whole new level.

- ✓ Anti-flex knob bridges on side lugs offer solid straight-line stability and enhanced grip for aggressive cornering
- ✓ Developed in the Grand National Cross-Country series
- ✓ Perfect tyre for any intermediate, loamy or muddy terrain
- ✓ Race-proven rubber compound delivers excellent traction in soft/intermediate conditions on the motocross track or off-road
